## Barbara 'Bobbie' Morton celebrates 100th birthday

Family members, friends and staff recently gathered at the Residential Health Care Facility of Loretto's The Nottingham Senior Living Community in Jamesville to celebrate the 100th birthday of Nottingham resident Barbara "Bobbie" Morton. Morton was born on Dec. 2, 1911, in Syracuse and became the wife of the late William Morton (who was CEO of the former Onondaga Savings Bank, now M&T Bank), a homemaker and mother of their three children. Morton has 11 grandchildren and 14 great-grandchildren. Once very active with the congregation of Park Central Presbyterian Church in Syracuse, Morton's favorite life-long interests include fishing throughout New York State's 1,000 Islands Region and golf and tennis at the Onondaga Golf and Country Club in Fayetteville.
